ENERGY TABLET 7" Neo 2

Create, play and have fun. A 7" tablet designed for leisure

Designed to entertain

Its Quad Core processor and Quad Core graphic card make it a powerful 7" HD tablet, capable of running all apps and with an ideal size to take it wherever you go.

Save and share your best moments

Photos, videos, videocalls... Its front and rear cameras are the perfect accessories to stay in touch with your friends and family, and also to immortalize your best moments.

Gigabytes of entertainment

Expand your tablet's storage space up to 64GB via microSD card. Store all your multimedia content and access or share them whenever you want.

Always at your side

Do not let the battery be a problem. The 2800mAh battery lasts longer for playing games, social networking websites, movies... Enjoy your favourite apps without worrying about the battery charge.

ENERGY TABLET
STAND CASE 10.1"
Neo 2

Perfect Fitting + Protection

Its unique design makes it match perfectly to the tablet, protecting both the back and the corners and also the screen. Thanks to its functionality and resistance it will become the best complement for your day-to-day.

Wake/Sleep Mode

Open the lid to activate it and close it to enter sleep mode. Its lid, with magnets and microfiber interior, fits perfectly to the tablet and ensures maximum protection.

It also includes an activation or lock sensor that will automatically activate when opening or closing the case.

COMING SOON...
