Choose your colour, define your style

Discover what these headphones with urban and ergonomic design can do for you: self-adjusting headband and ear pads that rotate 10°, microphone to answer incoming calls, playback control button and folding system to store them anywhere.

ENERGY SISTEM

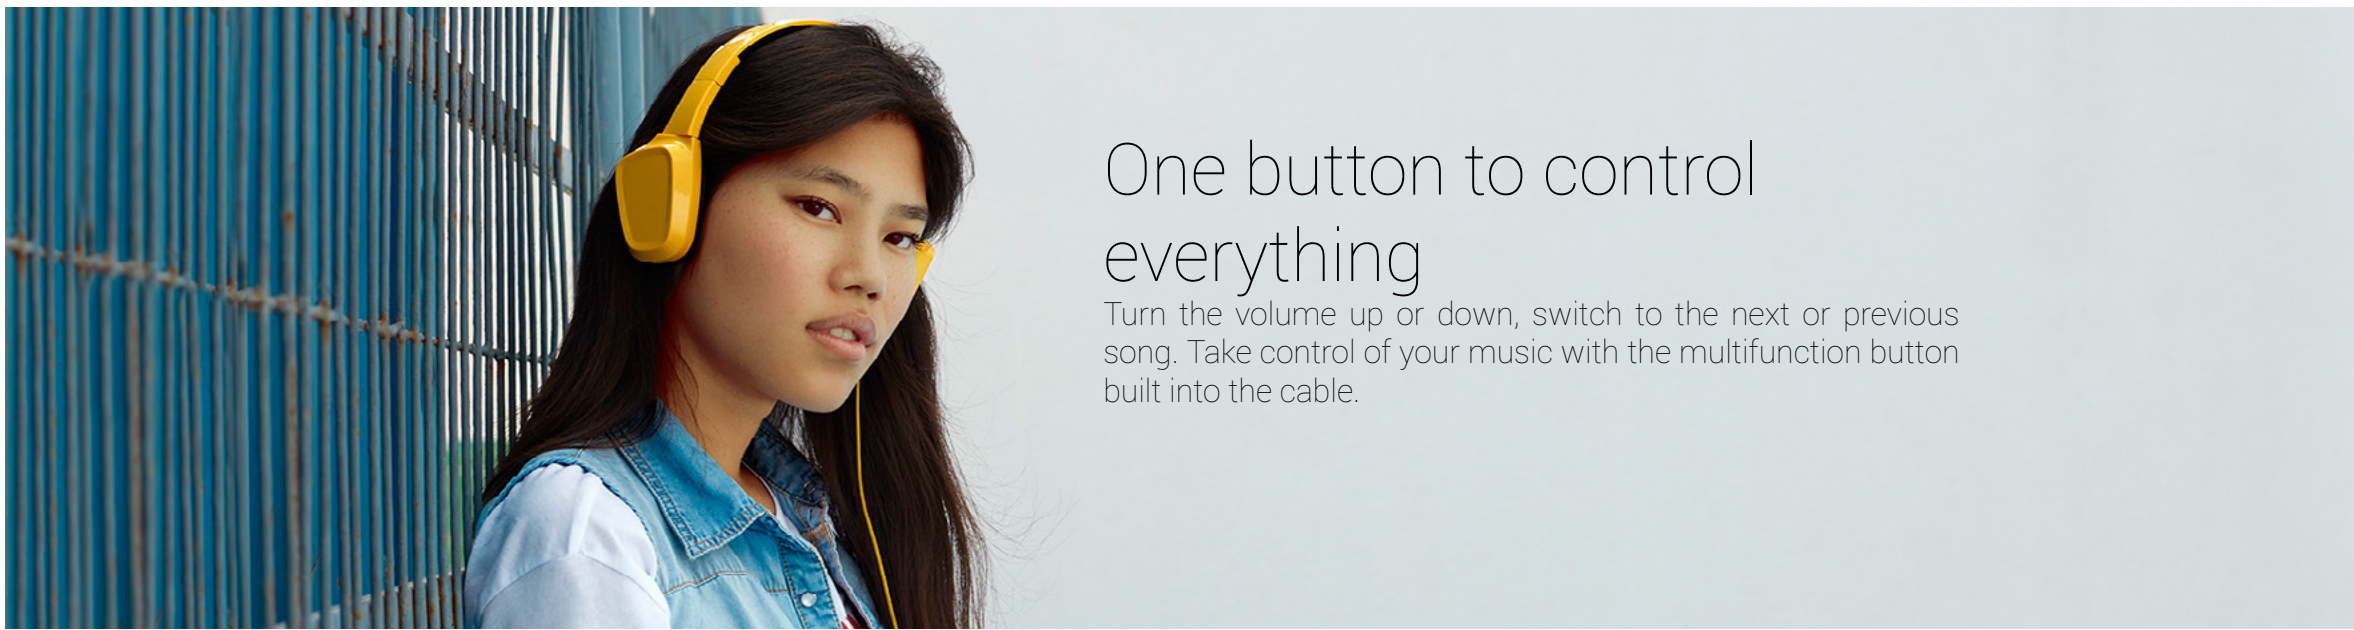

Answer all your calls

The audio cable with in-line microphone allows you to answer your calls without having to take your smartphone out of your pocket.

They suit you

They are fitted with self-adjusting headband and ear pads that rotate 10 degrees to provide the perfect adjustment. Furthermore, the folding system allows you to store them anywhere to take them along comfortably.

One button to control everything

Turn the volume up or down, switch to the next or previous song. Take control of your music with the multifunction button built into the cable.

Easily removable

Connect and disconnect its 1.2 m removable cable as many times as necessary to prevent tangled wires.
